Additional **custom** services

Priority Support

150€ / year *

Prioritize your tickets. This option allows you to give priority to requests related to the operation of your professional emails; we commit to handling your message within 2 business days.

Phone support

500€ / year *

Contact support by phone. This option allows you to receive 5 hours of phone support with a technician to resolve your complex issues and address them in real-time.

Turnkey management

on request

We fully handle the management and configuration of your emails. You have a dedicated contact person to address your configuration requests through the regular support channel.

Partnership program with algoo

Would you like to offer your customers additional services?
Let's work together and increase your sales in the long term.

Become a business contributor

We pay you a commission on each customer who signs up for an EVOLUTION, PROFESSIONAL or ENTREPRISE offer.
This commission is paid annually, with no time limit. Commission: from 15% of the public price.

Become a reseller

Would you like to sell e-mail services to your customers? You can already do so with a classical offer.
You can also benefit from a volume adjusted to your needs.

Need a custom galae?

Contact us to discuss your needs and find out how we can make your project a success!
